This year the fund is focusing on Jamie's quality of LOVE

This year the fund is focusing on Jamie's quality of Joy. We are focused on programs which help San Diego's homeless teens get off the streets. We found a great program with Urban Street Angels [www.UrbanStreetAngels.org](http://www.UrbanStreetAngels.org). USA began with feeding youth who were on the streets to now proving an overnight shelter, transitional shelter, employment training (through their own business, 8WEST as well as hopes to open up a year round permanent shelter for these most venerable youth. Are you aware that 3000 youth sleep on our streets on any given night here in San Diego. Many of them left to escape abusive homes only to find themselves in more peril. Let's help support efforts to get these youth the chance to lead productive lives.

### Groups we Support Each Year

In addition to the primary group we are benefitting Reality Changers, each year we also:

Sponsor a child providing for their basic needs by "adopting" a child through Save a Child Foundation [www.savethechildren.org](http://www.savethechildren.org)

Give donations to all of the following agencies that help bereaved families deal with a loss of a child.

- Rady's Children's Hospital Hope Program [www.rchsd.org](http://www.rchsd.org)
- Compassionate Friends [www.sdtcf.org](http://www.sdtcf.org)

Last year you very generously helped us raise over \$7000.00 for the college bound program Reality Changers <http://realitychangers.org/>
