JamiesJoy.org is all about serving the children and youth
of both our local and global communities.

Join us as we learn and grow in **SPIRITUAL JOY**
by serving the children of Ramana's Garden.

“Ramana’s Garden Children’s Home currently provides free primary and junior level education to more than 200 students from local BPL (“Below Poverty Line”) families, including the nearly 70 kids who live onsite at Ramana’s at any given time. Students typically come from homes with deceased, absent, or illiterate parents who are unable to provide a quality education for their children. Some kids walk for over an hour each way just to attend school. Without Ramana’s, many of our students likely would be begging in the streets or engaging in child labor.”
