

JamiesJoy.org is all about sharing the legacy of Love\*Joy\*Peace & Connection by serving children, youth & families, locally and globally.

Join us as we learn and grow in SPIRITUAL JOY by serving the children of Ramana's Garden.

“Ramana's Garden Children's Home currently provides free primary and junior level education to more than 200 students from local BPL (“Below Poverty Line”) families, including the nearly 70 kids who live onsite at Ramana's at any given time. Students typically come from homes with deceased, absent, or illiterate parents who are unable to provide a quality education for their children. Some kids walk for over an hour each way just to attend school. Without Ramana's, many of our students likely would be begging in the streets or engaging in child labor.”

**This tour offers Seva. Seva means Selfless Service.**  
Focus on serving, having fun, & exploring the beauty of India.

We will be spending time in sacred service with the students and staff at **Ramana's Garden**, a Children's Home on the banks of the Holy Ganges river.

- ◆ Service may include helping with homework, teaching, reading, taking walks, helping in kitchen (they have a fabulous organic, vegan restaurant on the premises), gardening, handiwork.
- ◆ If you have a special skill ie: building/repairs, nursing, computers, we will try to utilize your expertise.

For more information about this amazing organization and the tremendous work they accomplish, go to [ramanas.org](http://ramanas.org)
